INTRODUCTION

Hi, nice to meet you. I'm Christian Lloyd Felipe, a passionate frontend developer who likes to code things from scratch and enjoy bringing ideas to life in the browser. My specialties are to design and develop a responsive and clean website. I seek to leverage my technical and professional expertise to grow in the new role as an IT Professional at your company. To gain new experience and confidence using my potential in the field of Web Development, and express my innovative creative skills for self and company growth.
